The mission of Neighborhood Alliance is to help communities grow stronger by meeting critical needs and empowering individual and families. We strive to achieve this mission by focusing on 4 core service areas which include Child Enrichment, Senior Enrichment, Shelter/Emergency and Family Support. Many of our participants come to us during a time of crisis. Our goal is to help them get out of the crisis they are in and find ways to prevent that from happening in the future by empowering them to move forward with their lives and reach their goals.

Neighborhood Alliance has been compassionately caring for the community since 1927. We are helping our community grow stronger by caring for our clients' most basic needs. We provide emergency shelter, homeless outreach, daily meal delivery, nutrition services including an emergency food pantry and socialization activities for seniors, childcare and child enrichment programs, and access to family support programs such as Help Me Grow for those in need.

We are empowering the people of our community with the tools to create a better life for themselves. With our inspired mission of strengthening neighborhoods, we continue to expand programs and services to address the diverse and changing needs of families and individuals in Northeast Ohio.
